

# SDSL

## Internet Access

**Speeds up to  
1.5 Mbps**

*Get Internet with Attitude*

**Attitude Online SDSL Service** provides always on high speed Internet access with speeds up to 1.5 Mbps both upload and download. SDSL allows for faster upload speeds than standard DSL and is more reliable since it is delivered on a dedicated circuit separate from your telephone line.

**Attitude Online's** tech support is 100% based in the United States, providing you with support personnel you can understand.

**Attitude Online** based in Fresno, California has been providing high-quality personal and business Internet access solutions throughout California since 1997.

**Attitude Online** currently provides SDSL and Service covering the Central Valley and Northern California.

Please see other side for plans and pricing information.
